SANRAL's board passes resolution on e-toll summonses

Pretoria, 27 March 2019. The Board of Directors of the South African National Roads Agency SOC Ltd (SANRAL) passed an urgent resolution during a board meeting held yesterday [subs: 26 March].

It resolved that given the initiative led by President Cyril Ramaphosa to address the e-tolls payment impasse, SANRAL will, with immediate effect, suspend the process of pursuing e-toll debt. This includes historic debt and summonses applied for from 2015.

No new summonses will be applied for.

This decision will be constantly monitored by the board and reviewed according to prevailing circumstances.

SANRAL is an agency of Government and remains committed to delivering on its mission of a safe, efficient, reliable and resilient national road transport system for the benefit of all the people of South Africa.
